REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The reasons for the allowance of the claims is that the provision of each cylinder unit having a programmable software logic switch for selecting a first stroke sequence for combusting a compressed air-fuel mixture for a power stroke and for selecting a second stroke sequence for expelling compressed air for alternate use (as described in the applicant's specification, page 24), a switching means under computer control is not taught nor rendered obvious over the prior art references.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to John T. Kwon whose telephone number is (571) 272-4846. The examiner can normally be reached on M-Th.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Henry Yuen can be reached on (571) 272-4856. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
